# Greetings from the Camp Office!

Dear Camp Community,

Each night at camp, we sing each other off to sleep with the words of Hashkiveinu. With our voices rising into the starry summer sky, we end the day with our arms around each other, standing strong as one community.

***Lay us down to sleep in peace, Adonai our God, and raise us up, our leader, to life; spread over us the shelter of your peace.***

The image I carry of G-d spreading over us a shelter of peace is like that of a parent spreading a blanket over their child as they drift off to sleep. That child goes to sleep feeling cared for and safe, feeling warmth and love. Each night when we sing this prayer at camp, it is my hope that you feel that, too.

In the months since camp, I have missed you all so much! As I look through the pages of this yearbook, I relive our memories from Summer 2023 at Buckhorn, and I see the power of the beautiful friendships made, the challenge, the laughter and fun, and I look forward to seeing it continue next summer. Until then, may you find that same sense of comfort, warmth and love each time you look through the following pages.

Enjoy the yearbook!

B'shalom,

*A song of ascent. When God brought back those who returned to Zion, it was like a dream. Then our mouths were filled with laughter, and our tongues with singing. The nations said: God has done great things for them. God has done great things for us. We were happy. Adonai, return our captivity like springs in the desert. Those who tearfully sow will reap in glad song. He who bears the measure of seeds walks along weeping, but will return in exultation, a bearer of sheaves.*
